

Press Release

Date: 13 January 2012

A82 Aberchalder Swing Bridge – Overnight Closure Wednesday 18 January 2012

Further to our press release of 12 December 2011 regarding the ongoing essential maintenance work to the Aberchalder Swing Bridge on the A82 (5 miles south of Fort Augustus), it is now confirmed that the bridge will be closed, overnight, between 2130 hours on Wednesday 18 January and 0630 hours on Thursday 19 January 2012.

This closure is required to allow the swing bridge to be jacked on and off temporary supports, allowing essential repairs to be carried out.

Follow the progress of the works on www.twitter.com/scot_transerv as every effort will be made to open the road as early as possible.

Motorists should allow extra time for their journeys and pay attention to any advisory signs which will be in place throughout the works. For real time journey planning information visit www.trafficscotland.org
