

## Course summary:

National Highway Sector Scheme 12C for mobile lane closure (MLC) Traffic Management on motorways and other dual carriageways

## Who should attend:

All persons who will be required by their employer to work on motorways and or high speed dual carriageways as a mobile lane closure operative (advance sign vehicle driver). Following completion of the 12C training course the learner can obtain full operative status (TM card) by completing a set of on and off site assessments as prescribed in the sector scheme document. The assessments must be completed within a two year period starting from the date of passing the training.

## Description:

This course will cover:

**Quality assurance and Sector Schemes**

**Training and assessment requirements**

**Health and safety legislation**

**Reference documentation**

**Vehicle and equipment specification and maintenance**

**Communications roles and responsibilities**

**Mobile Lane Closure principles and practical techniques**

## Planning and Controlling the Works

- Temporary Traffic Regulation Orders and Roadspace (SRWID)
- Regional Control Centre's (RCC's) and Vehicle Management Signs (VMS)
- Reviewing the Traffic Management (TM) Method Statement
- Assessing Work Site activities in relation to Traffic Management plan
- Communicating the plan to other parties
- Enforcement of the Temporary Traffic Regulation Order (TTRO)
- Recovery Operations
- Abnormal Loads.

## Emergency Planning and Liaison

- Emergency Routes
- Dealing with Incidents
- Emergency Traffic Management
- Organising and coordinating Rolling Blocks
- Reporting of Incidents
- Winter Maintenance.

## Course objectives:

On completion of this course learners will be able to demonstrate that they have:

- A minimum satisfactory level of knowledge of the TSCO role
- A comprehensive awareness of the TSCO's responsibilities
- A detailed level of knowledge of Temporary Traffic Management standards.
